

Summary of the Anytime Moving LLC Arbitration Program

Pursuant to Part 375.211 of the Federal Motor Carrier Safety Administration, carriers are required to provide an arbitration program for individual shippers to resolve disputes about property loss and damage and disputes about whether carrier charges in addition to those collected at delivery must be paid.

Entering Arbitration

If you are an individual shipper of Anytime Moving LLC and would like to request to enter into the Arbitration Program, please complete the attached form on page 2 of this summary and submit to the Arbitrator, as described below, in writing, delivered by the United States Postal Service within (10) days of the event or occurrence.

Arbitrator

Arbitrator(s) are required to be independent of the parties to the dispute and capable of resolving such disputes, and both parties must ensure the arbitrator is authorized and able to obtain from the carrier or the individual shipper any material or relevant information to carry out a fair and expeditious decision making process.

The Anytime Moving LLC Arbitration Program is Administrated by:

Sweeney, Draper, & Christopher PLLC

1320 Stone Bridge Dr. A

Ada, Oklahoma 74820

The arbitrator must render a decision within 60 days of receipt of written notification of the dispute, and a decision by an arbitrator may include any remedies appropriate under the circumstances. The arbitrator may extend the 60-day period for a reasonable period if the carrier or the individual shipper fail to provide, in a timely manner, any information the arbitrator reasonably requires to resolve the dispute. If all parties agree, the arbitrator may provide for an oral presentation of a dispute by a party or representative of a party.

Arbitration Procedure Costs

The carrier must not charge the individual shipper more than one-half of the total cost for instituting the arbitration proceeding against the carrier. In the arbitrator's decision, the arbitrator may determine which party must pay the cost or a portion of the cost of the arbitration proceeding, including the cost of instituting the proceeding. The Anytime Moving LLC Arbitration Program cost is Administrated by the hourly rate of \$250.00 for services rendered provided by the Arbitrator.
